Fax: (65) 6565 5301  
Website: [www.jtc.gov.sg](http://www.jtc.gov.sg)

### Nature of Business:

JTC Corporation (JTC) is the lead agency in Singapore to plan, promote and develop a dynamic industrial

landscape, in support of the nation's economic advancement. Currently, the Corporation has under its management many developments including four wafer fab parks, an advanced display park, two business parks, a chemicals hub at Jurong Island, biomedical parks in Tuas as well as logistics hubs for aerospace, chemical and general warehousing industries.

JTC also plays a catalytic role in introducing leading-edge real estate solutions - such as specialised research facilities and underground caverns - to anchor important activities critical to the growth of the economy. It is the master developer for one-north at Buona Vista - a 200-hectare development for research and entrepreneurial activities. With a focus on knowledge-intensive activities in the biomedical, infocomms and media industries, one-north is a niche environment for innovation and creativity.

In support of Singapore's vision of becoming a biomedical hub, JTC has developed a wide spectrum of facilities to cater to the needs of the biomedical industry. From the plug-and-play R&D campus of the Biopolis @ one-north to the manufacturing hub at Tuas Biomedical Park, these facilities symbolised JTC's commitment to develop a world-class infrastructural hub for the biomedical industry.
